2033 will be the 2,000th anniversary of the Day of Pentecost. Our own John Martignoni, President and founder of the Bible Christian Society, has written an open letter to prepare for this important spiritual and historical event.

Won't you check out the new website Catholic2000.com and add your signature to the letter?

Why not share it on social media as well?

Pray, pray, pray for our world that needs the Church of Jesus Christ more than ever!

-Boston's surgery was successful and she is not in a body cast, but she's in some pain and will have a long recovery. Please keep her and her family in your prayers. The family was very appreciative (and I think really surprised) by the outpouring of prayer and love by all of you. There were over a hundred cards just from St. Theresa's, and I was filled with love and gratitude, too. Y'all are the best!

-Through Deacon Chuck, EWTN requested the prayers of the sisters and friars, and the sisters at Our Lady of the Angels Monastery sent a proclamation declaring Monday, May 20th as a 'Day of Prayer for Complete Healing for Boston'.
